**WEDNESDAYS 9:30-11:00am, for ages 5-11**

ART is composed of elements that help us tell a story, communicate an idea, or express emotion. DESIGN is the way we compose those elements. Join us "in person" for classes at our studio or attend our "Virtual" program online. 2021-22 program inspiration for all ages is ANCIENT ARTS.

## ANCIENT ARTS "Lost Worlds and Artifacts"

ART is short for ARTIFACT... The objects "left behind" when man has left the world. Language needs translation but images are universal. Every culture leaves an artistic footprint for others to discover. Students will be challenged with new techniques, styles, and art forms as they explore the artistry of ancient worlds such as Egypt, Greece, Pompeii, and the far East through imaginary sea creatures, treasure maps, and much more.

*\*Each BLOCK (Unit) includes 4 class sessions and meets weekly on WEDNESDAYS, 9:30-11:00am, beginning September 15 and concluding May 11. ALL ART SUPPLIES and MATERIALS are provided for on-site classes. Virtual enrollment includes weekly online tutorials, a supply list for students to purchase materials for home, and a "take home" art supply kit to be picked up at the studio once per month. Registration fee: \$70 per block, per student.*

This syllabus is tentative and may change at the discretion of the instructor.
