FREQUENTLY ASKED QUESTIONS:

My child has never taken Spanish before, is that okay?
Yes! Our class is designed for beginners who want to learn in a fun way!

My child has already taken this class before, can we retake it?
Yes! Our classes are taught by theme, so each week and each semester we learn new themes, words and songs. Think of it as learning *new* material each semester, not learning *harder* material.

How can I help my child if I don't speak Spanish?
Great question! Our goal is that your child is excited about learning Spanish. Setting them up in a good learning environment, praising their efforts throughout the week, seeking opportunities for them to listen to or speak Spanish at home (even basic terms like yes, no, hi, goodbye) show them that you are excited about their learning adventure, too!
