

## SUNDAY NIGHT SETS!

We place a **HUGE** importance on match-play! SO MANY players are great at taking lessons, but not so good at playing matches. It is a priority to our tennis professionals to get your child to play "real" tennis.

This **popular junior tennis league** is open to all high school age tennis players (*we do permit some advanced middle-schoolers into the leagues*) and they are co-ed. These two leagues are just **\$59 for the entire 6 weeks** or \$69 for non-members. **If you are a member and enrolled in an instructional tennis class, you may take another \$10 off!**

Nov. 4 - Dec. 16 (6 weeks) 5 pm - 6:30 pm  
\$59 Members & \$69 for Non-members

**Coordinator: USPTA Professional Dave Zimmermann**

*Players who register should already understand how to score and basic positioning for doubles & singles, as **this is not an "instructional" program**, but an opportunity for invaluable match-play. Play will be primarily doubles with some singles possibly mixed in depending on numbers of players. Players will be grouped each week based on their scores from the previous week. Each league is limited to the first 28 players who sign-up and must have a minimum of 10 players registered in order to be run. Call [269-429-2101](tel:269-429-2101) to reserve your spot!*

## PRIVATE LESSONS!

There is no better way to improve your child's tennis game than by making private lessons a part of their tennis education. Contact one of our USPTA Professionals to schedule your lesson. Rates are \$51\* per hour or \$27\* for a 1/2 hour. Semi-private lessons are also available where you can create your own small group at a time that works for you!

(\*non-member rates are slightly higher)
