INSTRUCTOR QUALIFICATIONS: Zoe Elrick

Zoe Elrick has a background in education, culture, science, art, history, as well as landscape architecture and ecology. In 2011, she started the Galien Valley Nature and Culture Program (GV-NCP), in Three Oaks, Michigan. Also, she is a registered landscape architect in Michigan and has worked for Pizzo and Associates, an ecological restoration firm of prairies, woodlands, and wetlands. Her landscape architecture degree is from University of Illinois Urbana-Champaign. Plus, she has taken nature classes in New Jersey at the Tracker School of nature awareness, wilderness living, and wilderness survival.

COURSE DESCRIPTION:

Class is all outdoors. Dress for weather. Class will not be indoors.

This class is both informative and fun! Come enjoy the Three Oaks area, explore its parks, native plants, and wildlife, and play nature games. Learn about nature through a variety of hands-on nature-exploration skills, nature journaling, games, mapping, and nature crafts. Bring the family and a blanket, it's a family picnic style class.

One or two parents (or adult relatives) must attend class with student(s) ages 10 and younger, per family. One or two parents (or adult relatives) may attend class with student(s) ages 11 and older, per family. A parent is to help guide his / her kid(s) along nature trails to do nature activities. Also, a parent may be needed to help his / her kid(s) make nature crafts or play nature games. Unaccompanied students ages 11 and up may be paired up with each other to help each other.

Michigan Nature Topics include: Michigan nature, Native Plants, Native Animals, Woods and Water; Nature Journal; Deep-Sensing Nature; Tracking and Awareness; Mapping; and Nature Crafts. During each class, students will be outdoors, playing nature games and studying nature.
