FREQUENTLY ASKED QUESTIONS:

My child has never taken Spanish before, is that okay?

Yes! Our class is designed for beginners who want to learn in a fun way!

How can I help my child if I don't speak Spanish?

Great question! Our goal is that your child is excited about learning Spanish. Setting them up in a good learning environment, praising their efforts throughout the week, seeking opportunities for them to listen to or speak Spanish at home (even basic terms like yes, no, hi, goodbye) show them that you are excited about their learning adventure, too!
