

## Spring Semester - 2022

### Field Trip Experience - 1 Trip per FAMILY!

#### **BONUS EXPERIENCE!!** Please **NOTE** only 1 TRIP per family is allowed.

A trip does NOT count toward your maximum number of Community Resource classes. It is a bonus enrichment opportunity for students to explore the skills and talents in our community. A project does NOT have to be completed for a field trip, but a trip CAN be the basis for a project that can be counted for another class. If you sign up for a trip and plans change so that your family cannot attend the trip, please email Becky right away as she will be keeping a 'Waiting List' of interested families for each trip.  
rhalcombe@shamrocks.us

You will be given the opportunity to choose one of the trips below for your student/s during REGISTRATION. You will first need to choose the Field Trip Category in order for these options to appear and for you to then be able to do so. It will be a pleasure to see many of you once again through the months to come!

#### **Option #1 - Fri. Feb. 11 - Garden Ice Arena, St. Joseph, MI**

Our group will be given a short demo and skating lesson at the local ice skating rink and then SKATING TIME ... to be followed up by cocoa and popcorn! This is a GREAT opportunity to try out Ice Skating if you never have or to just get out and MOVE after being shut in for a few months. This is an indoor rink.

Partnership Students: FREE

Other skaters (children and/or adults) - \$8.

**Limited to the first 40 students that sign up.** I WILL keep a waiting list for this event so please email me should you wish to attend but were unable to do so due to the limit. Additionally, if you were able to sign up some of your children but not all, because of the limit, email me as well. ALL of your children will be allowed to attend if some of them are registered.

Skating time will be from **Noon 2pm** - A **detailed Itinerary** for the day will be sent by email on the Monday prior to the TRIP!

### **Option #2 - Fri. March 11 - South Bend Chocolate Company, South Bend, IN**

This is a unique and educational experience for ALL as we have the opportunity to go 'behind the scenes' and tour the chocolate factory where many delicious chocolates are made and then packed and distributed; expect chocolate surprises at the end!!

Partnership Students: FREE

Other students age 2 - 11 - **\$2.**

Ages 12 - Adults - **\$5.**

**Limited to the first 40 students that sign up.** I WILL keep a waiting list for this event so please email me should you wish to attend but were unable to do so due to the limit. Additionally, if you were able to sign up some of your children but not all, because of the limit, email me as well. ALL of your children will be allowed to attend if some of them are registered.

Your family will be assigned a tour time of either **9am or 11am** - A **detailed Itinerary** for the day will be sent by email on the Monday prior to the TRIP!

### **Option #3 - Fri. April 1 - "Beauty and the Beast" Musical Production Bethel University, Mishawaka, IN**

In this 'tale as old as time' a beastly prince must win the heart of beautiful Belle in order to reverse the soon to be permanent curse placed upon him.

The Bethel University productions never disappoint!

Partnership Students: **FREE**

Other students age 2 and above and Adults - **\$7.**

**Limited to the first 75 students that sign up.** I WILL keep a waiting list for this event so please email me should you wish to attend but were unable to do so due to the limit. Additionally, if you were able to sign up some of your children but not all, because of the limit, email me as well. ALL of your children will be allowed to attend if some of them are registered.

Arrival time at the theatre **9:15am** - A **detailed Itinerary** for the day will be sent by email on the Monday prior to the TRIP!

**Option #4 - Fri. May 13 - Schuler's Robotic Dairy, Baroda, MI**

The Shuler Dairy Farm is a 4th generation Dairy. The house Bill Shuler lives in was built in 1848. Yet, the enormous barn that houses his herd is FUTURISTIC! The new barn is designed to attract visitors, with a reception area and a catwalk over the barn floor. Come SEE and hear about robotics 'in action' on the farm. This is an engaging and FANTASTIC learning experience for students!

Partnership Students: **FREE**

Other students ages 5 - Adult - **\$5.**

**Limited to the first 40 students that sign up.** I WILL keep a waiting list for this event so please email me should you wish to attend but were unable to do so due to the limit. Additionally, if you were able to sign up some of your children but not all, because of the limit, email me as well. ALL of your children will be allowed to attend if some of them are registered.

Arrival time at the farm **10:30am** - A **detailed Itinerary** for the day will be sent by email on the Monday prior to the TRIP!
